

## International Student Program – Homestay Policy

### Rationale

Where parents opt for DET to arrange accommodation, the Department through the school, is responsible for provision of accommodation, support and general welfare to the student. These arrangements shall be in place for the period that the student will be under 18 years of age while in Australia. This policy has been developed to meet the requirements of the ESOS National Code 2007 and Student visa (Condition 8532) which require that appropriate arrangements have been made for the accommodation, welfare and support of students less than 18 years of age.

This policy is designed to be consistent with the International Education Division (IED) guidelines. It is a Quality Standards requirement that all schools have a homestay policy in place.

**Students and Homestay Providers should also read the attached Information for Homestay Providers and Third Parties for clarification and more information relating to this Policy.**

### DET Compulsory Homestay Policy Requirements for All Schools:

- The School will organise homestay accommodation of a high quality and which provides a safe, comfortable and caring environment.
- The homestay accommodation will be provided by a host which may be a suitable family, couple or single person.
- Working with Children Checks will be completed and reviewed by the school for all adults (**anyone over 18 years of age**) residing or frequently residing in the homestay prior to the student moving in.
- The maximum number of students per homestay is 3 at all times, regardless of provider. **The number of students per homestay is at the discretion of the International Program Director.**
- Students must provide written permission from their parents to the school and have the school's endorsement if they wish to stay away from their homestay overnight. The school also must hold relevant contact details and inform the homestay of the arrangement prior to the student being allowed to stay away.
- The School will monitor progress of homestay arrangements, **including a minimum** of twice yearly visits.

- Students and / or parents are required to reimburse homestay providers for any damage to property caused by student, or costs incurred by student during the time of residence
